To whom it may concern

Dear Sirs

Re: Brith Services Ltd

Having worked with Brith Services Ltd on many successful contracts over the past 15 years, we would highly recommend them.

We consider them as a key subcontractor and work in partnership with them on many of our contracts.

Contract values vary in complexity, value and duration and have always found their works to be of the highest quality.

Their health and safety record is exemplary, their quotations are accurate and comprehensive and they always have a very professional and courteous approach.

If you require any further information please contact us at the above address.

Regards
